

Kim's has been offering a selection of gluten-free and wheat-free items for the past few years – always on special order. In order to meet the demand for special diet items, and to help in keeping items truly wheat-free, Kim's will be offering an assortment of special diet items that can be pre-ordered and picked up on the 2nd Sunday of the month. Orders must be received by the Wednesday prior to the pick up day and can be picked up anytime from 8:30 a.m. – 1:00 p.m. on Sunday. As the orders increase, we will add additional Sundays and additional items. Payment can be made by check or cash at time of pick up.

If you have other allergies or intolerances other than gluten and wheat, we can accommodate most requests. Most of our items can be made without dairy or egg and nuts are an easy thing to leave out if needed. Just give us a call to discuss what your special needs are and we will do our best to accommodate!

Orders can be received by fax, phone or email. Please note that if you fax or email an order, you will receive a phone or email confirmation of your order. If you do not receive this confirmation within 24 hours, please call or resend... technology is not always perfect!

PLEASE NOTE:

Kim's Kitchen is a retail bakery that uses an assortment of regular baking ingredients, including wheat flour, dairy, soy, nuts and eggs. When baking gluten-free, we do take special care to ensure all wheat flour or ingredients that include gluten are put away. However, we cannot guarantee that there is not any cross-contamination. If you are extremely sensitive, please understand that while we try to take every precaution, there is still a danger of cross-contamination.
